John W. Vogel

Class Counselor
and Acting Head Counselor

As a token of deep appreciation for his exceptional understanding and patience in facilitating our numerous problems, and out of admiration for his constant faith in us, we happily dedicate our yearbook to our counselor, Mr. John W. Vogel.

It seems apropos to acknowledge the unselfish devotion and service that he has successively rendered to the school, faculty and students as counselor, instructor and acting head counselor, for twenty-three years.

His living example of the Golden Rule has become a source of edification; thus with reverence we proudly proclaim a trusted and dear friend.

CLASS HISTORY

It was a cold day in February 1953 when a frightened bunch of freshmen trudged up the street to Barringer, the school they would come to love and cherish. We were all comforted by the many familiar faces we saw. Finally the doors were opened and we entered the hallowed halls of the third oldest high school in the United States. The auditorium was the setting of our meeting with the man we would grow to admire and love, "Doc" Saylor. Maps were distributed and we really needed them to keep from getting lost. Were we surprised to find that there wasn't any pink elevator and that all the tickets we bought were no good. Relief came when we discovered that the Freshmen didn't really have to polish all those trophies on the bridge. Latin and Algebra introduced themselves to us and we soon became the best of friends (ha! ha! ha!). Johnny and Alex joined the "Blue Jackets" and became permanent members. Finally schedules became routine and homework didn't bother us (who did it!). Summer vacation came and went, we returned to school, received our schedules, and the routine started again because by now we were used to high school. Then one day someone happened to look at the calender and discovered that a whole year in Barringer had passed. Gee, only three more to go.

It was another cold day in February but this time it was 1954, when a timid bunch of students (?) entered B. H. S. for the first time. These were the Sophomores from Webster Junior High School, but everyone soon became fast friends. New subjects again mysteriously appeared on our schedule cards. We experimented with Biology and some even got up enough nerve to dissect a frog. Angles and curves presented themselves in the troublesome form of Geometry, but did we have fun in Miss Wilsey's class. Around Easter time many of our girls could be found downtown collecting money for crippled children. The fad became taking trips (anything to get out of school for a day) so the Sophomore class went to the Bronx Zoo with the Science Club, and to the "Paper Mill Playhouse" to see "Oklahoma". It was around this time that Pearl and Diane tried out for and made All-City Radio dramatics class. Gee, did the fire bells ring often because of all those bomb scares we had. The "Acropolis" needed some shrewd businesswomen to run the paper so Arlene became Sales Manager, Millie became Business Manager and Virginia began her career of writing as Editor. And how about those Biology projects we had to have for Miss Schneider, the museum really got mobbed by all our budding geniuses. Second year Latin was a panic with Madame Carleu and "Cherchez La Femme", our thudding bodies were the best ever heard in Barringer, ask anyone in the class. For the second time someone happened to look at the calender and was surprised to find that our second year in Barringer had gone. Gee, only two more to go.

Cheering tryouts opened our Junior year and were we proud when Jeanne made it, the only one from our class. Junior Achievement sponsored a trip to Bear Mountain, New York and four of our girls went, loaded down with ice skates and cases, but little did anyone know that the cases were filled with food. The Student Council needed help so Frank was elected Vice President and Pearl became recording secretary. Charlie became the third member of our class to join the "Blue Jackets". Tryouts for "Mother Was A Freshman" found Virginia a successful member of the all-star cast. The After-Math Club took its annual trip to the "Paper Mill Playhouse" and many of us saw "South Pacific". The Mambo Section of the "Blue Jackets" boasted four of our girls, Arlene, Marlene and Dolores, with Betty calling the steps. Physics almost had our Einstein class stumped and those experiments (ugh!). Speaking of Physics, Mr. Lerner really was brave when he volunteered to take the Science Club to New York to visit the Planetarium, and the Museum of Natural History. The joking Juniors who went all agreed that they had the most fun eating lunch at the Automat. Award Assembly came and were we proud when Danny won the Most Valuable Player Trophy. Then another summer vacation came and went. Back to school and work. Frank really took the prize when he came back to school with a cast on his

leg, but of course a second prize had to be awarded when Warren broke his leg. Football season went by in a flash. We lost the traditional Thanksgiving Day game to East Orange but won the City Championship. We almost had a Junior dance, but . . . Christmas vacation passed and the New Year started. Another Award Assembly arrived and we realized that we would be the next class to take the 4A seats. Gee, only one more year to go.

Finally our rings arrived and with Frank, Johnny, Millie and Rachel as our officers we really became Seniors. 273 was almost broken up but such a protest arose from the members of the homeroom that 273 became Mrs. Gill's again. Virginia was Editor-in-Chief of the magazine, Arlene and Diane were editors with Jerry and Charlie as assistant editors of the "Acropolis". In spite of a near blizzard our 4B dance, the "Leap Year Frolic" was held and was a huge success. Betty left to set up her home, and Pat played the Cloves with Arlene heading the group as captain. You sure could tell a hope-to-be cheerleader by the groans when they had to climb stairs, but in the end three of our girls made it, Kathy, Pat, and Diane, and Jeanne became our brand new Co-Captain. "Cheaper By The Dozen" was presented, with Virginia in the cast again. National Honor Elections soon rolled around and holding candles, Arlene, Marlene, Dolores, RoseMarie, Millie, Modris, Frank, Anthony, Charlie, Virginia, Jerry, Arlene, and Diane marched in. There must have been a bargain sale on drivers licenses because it seemed like almost everyone had one . . . Grace you did a beautiful job on Jack's car door. The "Hot-Rod" Club was soon formed and the only requirement was one ticket. Betty and Eleanor tried for, and made the All-State Chorus. Chemistry lab turned out to be a lot of fun when making those smelly gases, and it was really funny when Jerry singed his hair with the Bunsen Burner. Danny again won the Most Valuable Player Trophy and made the All-City and All-County teams. Double lunches no longer being the fad, nine girls joined the double breakfast club at 7:45 a.m. with Miss Bell. We almost had a 4B-4A Basketball game but (oops!) didn't mean to mention that. The yearbook staff was organized with Millie-Editor-in-Chief, Virginia-Make-up Editor, Diane-Features, Charlie-Sports, Dolores-Art, Betty and Arlene-Co-Business, Jerry-Activities, Phyllis-Research, Corrine and Barbara-Co-Personals, Jean-Typing, Pat-Snapshots, and Grace as Secretary. Everyone trotted down to take graduation pictures and when the proofs arrived many wished they hadn't. Award Assembly came and we proudly took the 4A seats. At least, we could see! June 23rd our unofficial class outing was held at Valley Springs, and, then, vacation.

September soon rolled around and school started as we returned proudly as 4A's. Pep assembly was held with four of our girls up there cheering and football season got off to a flying start with Frank, Buck, Joe, Richie, Warren, Anthony, Mike, Frank, and Jerry in there playing. The third game of the season we played Memorial from West New York, and never had it been a wetter night, as many of the students can tell you. National Honor Elections were held with Charlie becoming President, Jerry as Vice President, Virginia as Secretary, and Diane as Treasurer. Kathy, Connie, and Louie were the only 4A members being initiated. Promotions were seen in the "Acropolis" office for Virginia became Student Adviser, Arlene took over the Magazine, with Charlie and Jerry becoming Editors. Our jazzy skit was held the morning of October 26th, followed by our 4A dance, the "Moonlight Festival", with Johnny as leader of the "Blue Jackets". It seemed like the most popular fellow at the dance was "George". Hallowe'en produced two of the most beautiful girls Barringer has ever seen, Warrens and Geraldine. Again we saw another change on the "Acropolis" staff when Diane took over the Barney Column. Then came a big five day week-end, and boy could we use it. Were we proud when B. H. S. again took the City Championship in football undefeated, untied, and scored upon in only one game. The traditional Thanksgiving Day game was held with our rivals East Orange at their stadium, and once again Barringer bowed to their rivals. We returned to school and were fitted for our caps and gowns and it was about this time that we really realized just how close graduation was, our days at Barringer were numbered. Christmas vacation passed and the New Year arrived. Plans for the prom were all set. And finally January 30th arrived, the night we had all been waiting four years for. Proudly we marched onto the stage and received our diplomas. We bid farewell to our friends and walked out into the night and into life with the words "Truth, Honor, and Light" in our hearts.

MUSIC AT BARRINGER

Barringer's own band lead by Mr. W. Greenfield at our last concert.

The Boys' Glee Club under the direction of Mr. A. Argand.

A large Advanced Chorus also under the leadership of Mr. A. Argand singing the "Te Deum."

Mr. Argand leads the Mixed Chorus in one of their selections from the Spring Concert.

The orchestra also under the baton of Mr. Greenfield is seen here.

BLUE JACKETS

Our own Johnny Albani is seen featured on one of his special instruments, the vibraphone.

John Albani—also in the Blue Jackets since he was in his first year, Johnny has specialized on the drums. His ability speaks for itself.

Charles Francis—The Blue Jackets first heard Charlie play the sax in his sophomore year. His playing has added color and quality to the sax section.

Alex Roberto—a member since his freshman year, he is an asset to the trumpet section and often renders forth pleasing solos.

Marlene Schneider—"Mar" can find no superior in the playing of the maracas. Her playing has set an unforgettable example since her 3A term.

Patricia Pedone—"Pat" taking over the cloves when Betty left. She has been in the Blue Jackets since her 4B term. She adds color and completes an already perfect squad.

Dolores De Vita—"Dee." She has contributed beauty and ability to the squad since her 3A term and handles the maracas like an expert.

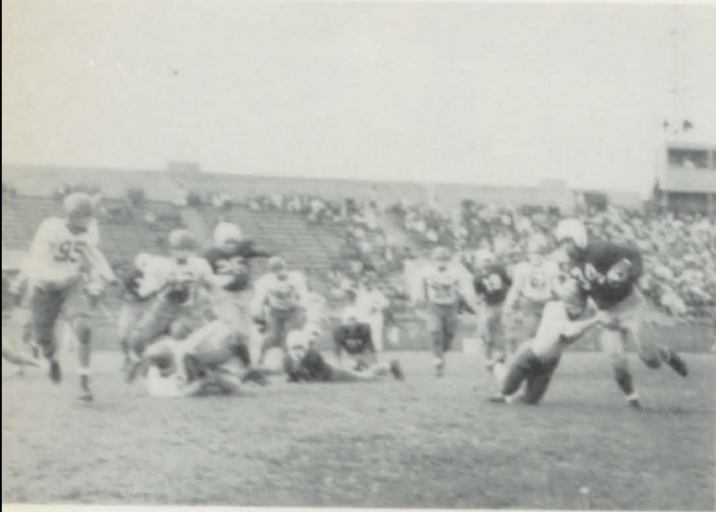

Arlene Hoffman—"Ar." Captain of the group and a member since she was a 3B, Arlene's ability speaks for itself. This maraca queen's dancing, makes the squad much easier to look at.

SPORTS

BIG BLUE

Barringer defenders pursue Central back.

Joe Jacangelo and Cal Perry down South Side back.

FOOTBALL

The Big Blue came through the 1956 Football season with the highly prized City League Title. Our boys illustrated good clean play throughout the season, winning all five of their city league contests and beating Orange. This hard play wasn't enough for state champion Memorial of W. N. Y. or the Plainfield and East Orange elevens.

Barringer was well represented in the "All City" selections with ten of our players picked as the outstanding boys in the city schools. Mainstay in the Barringer forward wall was "All City" tackle Jerry Colatrella.

Our opening game was against the powerful Plainfield squad. Spearheaded by fullback Dom Dessino, Plainfield managed to score two last period touchdowns to edge the Big Blue 13-7. After Barringer fullback Warren Bongo scored in the first quarter both teams were held scoreless. In the last period Dessino broke loose for two touchdowns and ran for their only extra point.

Next the Big Blue romped over South Side, 33-0. Our

senior fullbacks Warren Bongo and Mike Trento moved the ball well with Frankie Polito also carrying for good yardage. Barringer scored with apparent ease while holding the Streaks scoreless.

Memorial gave Barringer its second defeat of the season, 26-7. The Big Blue managed to restrain the Mems until the second quarter when Simunovich and Doleschal began scoring for Memorial, Barringers touchdown resulted when quick thinking Frank Buckworth grabbed a loose ball and ran over for our only score.

Barringer ripped winless Weequahic 39-0 in our third contest. The game was marked by hard running and good passing resulting in seven touchdowns. Bruce Humphrey ran well in this game with Carl Farrell pounding out good gains also.

In our fifth game the Rough Riders of West Side met defeat at the hands of title bound Barringer by a 19-0 score. Long runs by Farrell and Frankie Vitolo made the

Big Blue corral wary back.

difference here, with a Vitolo to Sivertsen pass resulting in the third Barringer T.D.

Barringer just managed to beat an inspired Central team 13-12 insuring at least a tie for the city league championship. The deciding factor was the charging Big Blue line which blocked Central's attempted conversion giving Barringer a one point edge.

Barringers 27-0 win over East Side gave the Big Blue their second consecutive City League Crown. Good line play enabled our fleetfooted backs to make three long runs for touchdowns and to go from a few yards out for a fourth score.

Barringer's speedy backfield scored on four long runs to Beat Orange 39-13. This was our first win over a county team in two seasons. A good Orange offense managed to carry the ball for two touchdowns in the last half, but the Big Blue strengthened their offenses and ran for several long runs in the final period.

Barringer backs on another touchdown jaunt against Orange.

Hard tackling causes Plainfield fumble.

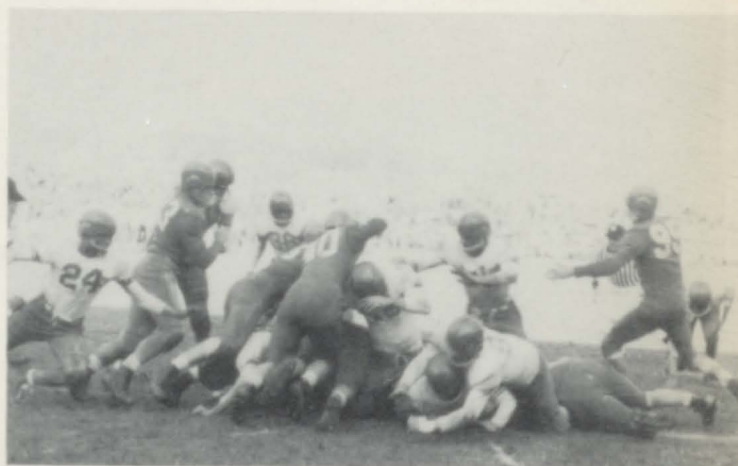

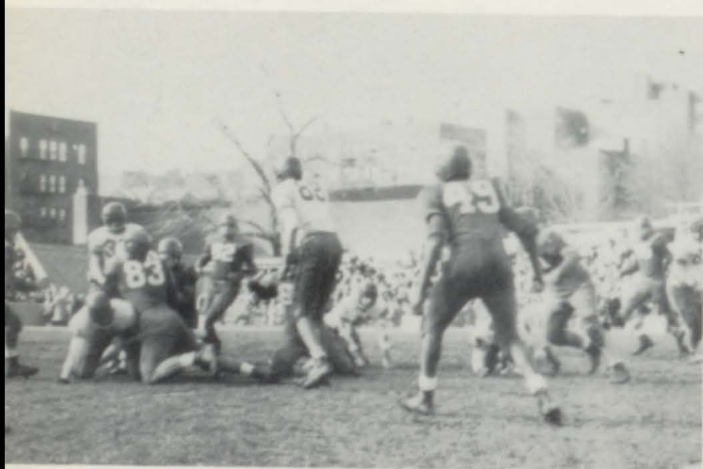

BARRINGER vs. EAST ORANGE

Plagued by fumbles throughout the game, Barringer, a 20-13 favorite, was surprised by a spirited East Orange team 12-7 in the 60th anniversary of this annual grid contest. Bruce Humphrey went over from eight out to score the only Barringer touchdown. After trailing 7-6 at the end of the first half East Orange took advantage of Barringer fumbles and a pass interception to score their second T.D. East Orange's defense wouldn't give way, holding Barringer scoreless to win the Turkey Day classic 12-7

Buckworth

Colatrella

Bongo-Bongo, one of our plowing senior fullbacks. His good defensive play and hard running will be missed next season.

Polito—Halfback Frank Polito was all important when it came to defensive blocking. Franks ability to gain yardage will be remembered also.

Trento—Our other fullback is renown for his crashes through enemy lines. Mikes good running was of great value during our title march.

Buckworth—Frank's heads up play at defensive end was a big factor in our city drive. On offensive his glue fingers grabbed many passes for substantial gains.

Colatrella—All city tackle Gerry was one of the most important men in Big Blue's line. Many an opponent found the hole at tackle plugged because of Gerry's hard tackling.

Jacangelo—Guard. Joe's line play opened many holes through the center for the Barringer backs. Always charging in to smear enemy plays, Joe was an important cog in the Barringer's line.

Third Row: Rizzolo, Del Tufo, Mellilo, Colatrella, Brady, Rizzuto, Guida, Speno, Miller. Back Row: Fiorini, Tuttle, Tischio, McDonald, Buckworth, Siversten, Pascucci.

Freda—Pitcher. Larry's arm was very helpful in capturing the city championship.

Coppola—Our All-State shortstop. If it got past Dan it wasn't on the field.

Palumbo—Right fielder. Don's hustle in the field saved many games and his hits drove in lots of runs.

Jefferies—Center fielder. Mariand's glove had a peculiar attraction to fly balls and his bat to the ball.

Front Row: Vitoli, De Trollo, Sousa, Nevargic, Albani, Malenkónico, Roberto, Palumbo, Colandrea. Second Row: Freda, Mazza, Lepore, Jinks, Buckworth, Davina, Coppola. Third Row: Mr. D'Ambrosia, Ass't Coach; Giglia, Jeffries, Warner, Manochio, Cuppalo, Mr. DiChiario, Coach. Back Row: Tuttle, Barratta.

Roberto—First base. Al's hard hitting and play at first base earned him an All-State birth.

Albani—Catcher. Very few balls ever got past our backstop.

Buckworth—Our Strong arm on the mound. His relief work was great.

STATE CHAMPIONS

Barringer's baseball season was one of the best in several years. The team was selected to play in the Essex County Tournament against the New Brunswick squad. Our boys also won the City League Championship.

Outstanding on the diamond were shortstop Dan Coppola, first baseman Alex Roberto, outfielders Don Palumbo and Marland Jefferies, catcher Johnny Albani and pitchers Frank Buckworth, Larry Freda, and Fred Mazza.

The Barringer nine also won a co-state championship in the Group IV class. Wins over East Orange and Nutley added to Barringers list of victories over suburban teams.

In addition to the team's achievements, shortstop Danny Coppola was selected to the all-state team.

TRACK AND FIELD

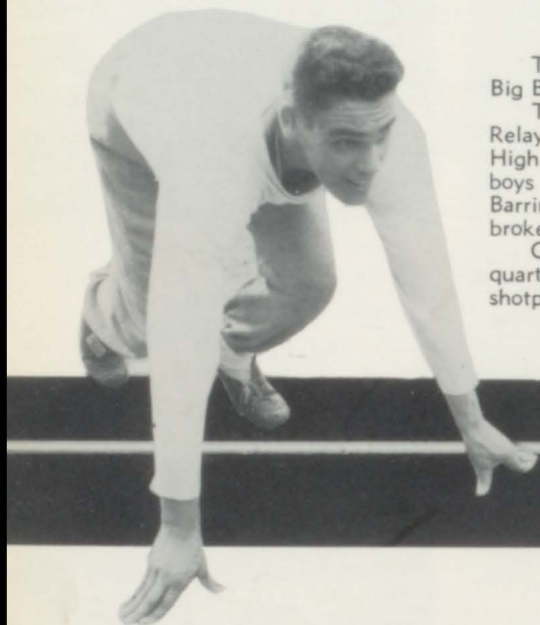

Mr. Naparano, Coach; Forte, Sauchelli, Rangel, Barbair, White, Savage, Strauss, Papa, Antonacci, Rotunda, Farrell, Gaiter, Hoggard, Porter. Second Group: Bellino, Sivertson, Miaelli, Pascucci, Del Tufo, Hargrove, Tortoriello, Lupo, Pasqua, Fiorini, Malanga, Rizzuto, Delviscova, Gaoda, McDonald. Third Group: Spino, Alviggi, Freda, Palmieri, Scucci, Amos, Meade, Humphrey, Polito, McDevitt, Tischio, Pontrelli.

The 1956 track season proved very fruitful for the Big Blue cinder and field men.

The team did exceptionally well in the Long Branch Relays, placing first in the mile relay. In the Newark High Schools Board of Education Invitation Meet, our boys placed third. The city meet was dominated by Barringer's superior runners and field men. Gene Givens broke the city record in the 100 yard dash in 9.7 seconds.

Consistant scorers with the team were Richie Amos, quarter mile; Tony Karambelas, discus; Joe Jacangelo, shotput; and Jimmy Savage, half mile.

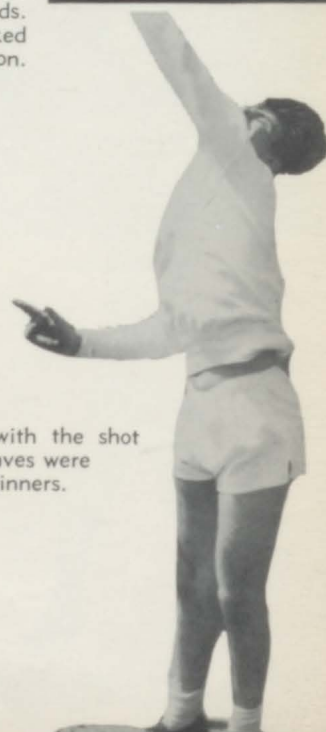

Polito—Frank's race was the quarter-mile. His consistant training resulted in producing one of the citys best 440 men.

Givens—The Big Blue's record breaker. Gene broke the city record in the 100 yard dash in a jet-like 9.7 seconds. His hurdling cannot be overlooked because of the many points he won.

Karambelas—Our discus man. Tony's good form gained many points for the Barringer squad.

Jacangelo—An expert with the shot put. His mighty heaves were important point winners.

Amos—One of our fast quarter mile men. Richie's consistency on the track was a valued factor in our city league win.

Johnny Strouse—One of our sprint men. John's speedy running scored points for the Barringer indoor track team.

Savage—The half-mile was Jimmie's race. His excellent running and endurance won him many medals.

INDOOR TRACK

Front Row: Holms, Apostolico, Rangel, Patrick. Second Row: Babere, Byers, De Muno, Gargrove. Back Row: Tosun, Alagna, Polito, Alfano, Verderosa.

CHEERLEADERS

Back Row: Florence Renna, Kathleen Fiore, Josephine Nittoli, Theresa Contursi, Gaytha Iuliano, Dorothy De Santis, Connie Lentine, Pat Latimore.

Jean Stec—As one of our peppy co-captains, Jean makes use of all the qualities that make her a great cheerleader.

Kathleen Fiore—Cute Kathleen with her winning way is noted for her ability to stay on the ball at all times.

Diane Barnhart—With the look of a real cheerleader, she adds jest to the winning squad.

Patricia Latimore—Neat and snappy are the adjectives given to this sweet miss.

Donald Palumbo—The teams leading scorer and deadly with his set shot. Don was also the play maker for the club.

BASKETBALL

Alex Roberto—A good man under the boards. Al's rebounding and scoring ability will be missed next year.

Coming a long way from last year, Barringer's basketball team has made a good showing in the city league.

Barringer opened the season with wins over South Side by a (58-40) score. St. James (61-48) and beat W. S. (54-48).

Our first loss was to Weequahic (49-66). Despite the fourteen point contribution of Alex Roberto Weequahic edged the Big Blue squad in one of our toughest games of the season. Beating Central in our fifth game (50-43) Barringer met South Side for the second time in our fifth contest. Barringer, unable to conquer the South Siders a second time, lost (54-67). In our next game with Garfield, Barringer leading by a (31-28) score at the end of the first half came alive after the intermission to win—71-56. Don Palumbo was high scorer with 25 points.

With play like that exhibited in the early season games Barringers greatly improved squad should make a good showing this season.

Front Row: Managers Pete Ventola, Larry Janesky. Second Row: Herby, Collelo, Farrell, Palumbo, Pecora, Vitolo, Mazza. Back Row: Coach Naporano, Fiorini, Siversten, Porter, Roberto, Warner, Brown, Head Coach Lombardi.
